

11/2/08: "Who's Who in American 3-Cushion Billiards" Section Approved:

Motion to establish a section on the USBA website called, "Who's Who in American 3-Cushion Billiards?":

The first part will have a link to the list of USA Champions which began in 1968. This is only a list of all past Champions. No pictures, no bios.

The 2nd part will have a list called "Top Players" listed in alphabetical order. By clicking on a name, the viewer will be brought to a page about that person. The page will contain a photograph and bio. A person will not be added to the list without a bio.

The initial list of players to be included will be as follows:

Top Players:

Pedro Piedrabuena
Mazin Shooni
Sonny Cho
Michael Kang
Jae Hyung Cho
Hugo Patino
Miguel Torres
George Ashby
Frank Torres
Carlos Hallon
Salvador Diaz
Carlos Francisco Palafox
Sang Lee
Willie Hoppe
Allen Gilbert
Harry Sims
Adrian Viguera

The next section will be called "Persons of Note" which will contain important people to the 3-cushion world, but not a top player.

The first person on this list will be: Robert Byrne

Names will be added to these lists by Board Vote over time. A Board Member can nominate a player or players (person or persons) at any time through normal discussion and voting procedures. The Board Member will provide a bio of the player (person) in his/her motion so that the Board can have adequate information to vote. The Board must approve the nominated player with a 2/3 majority vote. Six votes will be considered a quorum.

The next section will be "Current USBA Board Members":

Bob Jewett
Jim Shovak
Ken Higgins
George Aronek
Bruce Warner

Bill Johnson
George Theobald
Charles Brown
George Ashby
Mazin Shooni
Henry Ugartechea

If a listed Board Member at some point is no longer a Board Member, they will be removed from the list of Current Board Members and replaced with the new Board Member (if any).
